QUESTIONS FOR ORAL ANSWER\*

- \*1. **Mr Mohd Ismail Hussein:** To ask the Deputy Prime Minister and Minister for Finance in light of the recent Auditor General's Report for FY 2014/2015 on lapses found in public sector entities (a) whether the respective Ministries have conducted their own investigations into the lapses; (b) whether these investigation reports will be made public; (c) how many of these lapses are repeat lapses; and (d) what are the measures the respective Ministries plan to take to tighten controls and avoid serious lapses that affect the proper use of public funds.
- \*2. **Mr Png Eng Huat:** To ask the Minister for Culture, Community and Youth in respect of the audit on the People's Association that is reported in the Report of the Auditor-General for FY2014/15 (a) what are the 13 businesses or services that have been given tenancy contracts totalling \$3.67 million without competition and what are the reasons given; and (b) what are the seven claims totalling \$114,767 made by the Chairman of the CCC to himself and what is the total amount of the three claims that have no supporting documents.
- \*3. **Mr Lim Biow Chuan:** To ask the Minister for Transport whether LTA has reviewed and approved the contingency plans by SMRT to provide alternative transport whenever there is a breakdown in the train services.
- \*4. **Ms Ellen Lee:** To ask the Minister for Defence (a) whether the SAF has provided adequate opportunities for women to participate and excel in their military careers; and (b) what is the impact of more SAF regular servicewomen on our national defence.

- 
- 
- \*5. **Er Dr Lee Bee Wah:** To ask the Minister for Social and Family Development in light of the recent case of unauthorised withdrawal of funds from the Child Development Account (CDA) (a) what is the Ministry doing to tighten control over the CDA; (b) how will the Ministry assist parents to trace the transaction records if past bank statements are not available; (c) whether all affected parents have been notified of the unauthorised withdrawals from their CDA accounts; (d) how often are CDA accounts audited; and (e) whether these accounts are subject to audit by the Auditor-General's Office.
- \*6. **Ms Irene Ng Phek Hoong:** To ask the Minister for Social and Family Development (a) what are the safeguards put in place to prevent elder abuse and neglect from becoming more prevalent as our society ages and the pace of life becomes faster; (b) whether existing measures can be strengthened; and (c) what role can neighbours and the larger community play in looking out for the welfare of vulnerable seniors and reporting abuse cases.
- \*7. **Mr Baey Yam Keng:** To ask the Minister for Culture, Community and Youth (a) what is the Government's commitment to maintain the status of the Singapore Botanic Gardens as a UNESCO World Heritage Site; and (b) how can the public play a role in this process.
- \*8. **Mr Zaqy Mohamad:** To ask the Minister for Manpower over the past five years (a) what is the trend in the number of cases relating to race- and language-related discrimination in the work place; and (b) how many of such cases in respect of job interviews, hiring practices and workplace practices have been enforced.
- \*9. **Mr Zainal Sapari:** To ask the Minister for Manpower (a) whether the Tripartite Alliance for Fair Employment Practices (TAFEP) has been effective in reducing discrimination at workplaces; (b) whether the existing framework of measures are sufficient to send a strong message that workplace discrimination, particularly those related to race and religion, will not be tolerated; and (c) what recourse can an individual take should the person feel that there is discrimination due to race and religion.
- \*10. **Dr Chia Shi-Lu:** To ask the Minister for Education whether the Ministry will consider requiring all schools and educational institutions organising overseas trips for students and staff to purchase travel insurance which cover medical evacuation or treatment for pre-existing conditions.

- 
- 
- \*11. **Mr Hri Kumar Nair:** To ask the Minister for Education what is the rationale for excluding students in Specialised Independent Schools who are suffering from dyslexia from receiving subsidies to participate in the dyslexia remediation programme conducted by the Dyslexia Association of Singapore and whether the Ministry will review that policy.
- \*12. **Ms Kuik Shiao-Yin:** To ask the Minister for the Environment and Water Resources (a) aside from rental controls, what are NEA's plans to help hawkers deal with the more significant cost drivers of ingredients and manpower; (b) how the setting of distinctly different price caps for local and western hawker cuisine preserves local hawker heritage; (c) whether NEA, with the Ministry for Social and Family Development, can issue more targeted concessions for low-income individuals to keep food affordable for the truly needful rather than use price caps that benefit those who can afford the full price; and (d) how does NEA ensure that the social enterprises managing the hawker centres do not take advantage of their position to profiteer unfairly.
- \*13. **Ms Chia Yong Yong:** To ask the Prime Minister (a) what are the Civil Service guidelines in determining when retirees should be employed and when they should be engaged as independent contractors for services; and (b) whether retirees should be employed on a part-time basis to enjoy employment benefits instead of being engaged as independent contractors.
- \*14. **Mr Baey Yam Keng:** To ask the Minister for Health (a) what is the current number and percentage of CPF members who have reached their Medisave contribution ceiling; and (b) whether the Ministry can allow CPF members, upon reaching their Medisave contribution ceilings, to keep the overflows to pay for medical expenses instead of channelling the overflows to their Special, Retirement or Ordinary Accounts.
- \*15. **Mr Thomas Chua Kee Seng:** To ask the Minister for Trade and Industry in respect of advance estimates that the Singapore economy grew by 1.7 per cent on a year-on-year basis in the second quarter of 2015 (a) which are the specific sectors driving this growth; and (b) to what extent have SMEs contributed to this growth.
- \*16. **Mr Gan Thiam Poh:** To ask the Minister for Trade and Industry (a) for the past five years, what has been the GDP per dollar of business cost in Singapore; and (b) what measures has or will the Government take to either improve the GDP or reduce the unit business cost that can improve Singapore's competitiveness and productivity drive.

- 
- 
- \*17. Mr Gerald Giam Yean Song:** To ask the Minister for Transport (a) how an electrical insulation problem in one "third rail" cover between Tanjong Pagar and Raffles Place MRT stations can cause a catastrophic failure across the entire North-South and East-West Lines (NSEWL); (b) whether this is an indication of a lack of built-in redundancy or poor system design of the MRT's electrical network; (c) whether engineers have assessed that a massive overhaul of the NSEWL is needed to prevent such failures from recurring; and (d) if so, what it will take in terms of time, cost and system downtime for such an overhaul to be completed.
- \*18. Mr Christopher de Souza:** To ask the Deputy Prime Minister and Minister for Home Affairs (a) what are the rehabilitative aspects of corrective training; and (b) how effective has it been in reforming individuals caught in a cycle of re-offending.
- \*19. Mr Christopher de Souza:** To ask the Deputy Prime Minister and Minister for Home Affairs how effective has preventive detention been in reducing the recidivism rate for released persons.
- \*20. Mr Zainal Sapari:** To ask the Minister for National Development (a) what is the form of assistance that is rendered by BCA to mediate disputes involving residents and developers especially in private housing projects where there are design or construction defects even though these comply with BCA's building regulations; and (b) whether BCA can tighten the issuance of the Temporary Occupation Permit or Certificate of Statutory Compliance to ensure building construction meets an acceptable standard.
- \*21. Mr Pritam Singh:** To ask the Minister for National Development (a) whether NParks will review the policy of charging for car park usage at popular parks; and (b) whether it can consider a pilot scheme at Bedok Reservoir Park to allow free car park usage from 5am to 9am and 5pm to 9pm with a view to extending it to all parks, so as to incentivise the encouragement of a healthy lifestyle among all Singaporeans.
- \*22. Er Dr Lee Bee Wah:** To ask the Minister for the Environment and Water Resources in light of the Report of the Auditor-General for FY2014/15 on how NEA's contractor only treated rodent burrows found in the areas under NEA's purview (a) whether NEA will disregard these boundaries when carrying out its responsibilities that relate to public health issues; and (b) whether NEA has informed the other public agencies when the rodent burrows are discovered in these agencies' boundaries.

- 
- 
- \*23. **Mr Baey Yam Keng:** To ask the Minister for Communications and Information with reference to the recently staged Chronology On Death, whether the Ministry will consider using the same approach to give more leeway for potentially controversial performances, including plays, musicals and films, to be staged or screened on the condition that post-performance dialogues be held between the producers/directors and audiences.
- \*24. **Dr Benedict Tan:** To ask the Minister for Culture, Community and Youth whether there are any plans to introduce legislation to further prevent doping, as suggested by the World Anti-Doping Code 2015 (article 22) and the UNESCO International Convention Against Doping in Sport 2005 (article 8).

- \*31. Mr Gerald Giam Yean Song:** To ask the Minister for Health in 2012, 2013 and 2014, how many eligible patients reached (i) the annual withdrawal cap of \$400 from their own Medisave accounts (not that of their family members); or (ii) the annual CHAS subsidy limits of \$320 or \$480 for simple chronic (Tier 1) or complex chronic (Tier 2) conditions respectively, for treatment of conditions under the Chronic Disease Management Programme (CDMP).
- \*32. Er Dr Lee Bee Wah:** To ask the Minister for Health given that from time to time healthcare services run by public healthcare groups may revise the fees for their services (a) how many price revisions have there been in the past three years; (b) whether these institutions have to justify to the Ministry before revising such fees; (c) whether there is a standing procedure for these institutions to announce and explain such fee revisions to the public; and (d) whether the Ministry ensures that the public is adequately informed of any fee revisions instead of discovering such revisions only when they pay for their medication and treatment.
- \*33. Ms Kuik Shiao-Yin:** To ask the Minister for Social and Family Development (a) whether the policy of unequal benefits between unwed and married mothers in the past decade has led to (i) a decline in serial births out of wedlock in Singapore; (ii) an increase in births within marriage in Singapore; (iii) an increase in abortions by unwed mothers; (iv) a decrease in abortions by married mothers; and (b) what other case studies and alternative options is the Ministry presently exploring that can more effectively incentivise births within marriage.
- \*34. Ms Lee Li Lian:** To ask the Minister for National Development (a) what are the reasons for converting an empty piece of land in Rivervale Crescent from a secondary school development to a mix of a park and residential estate; and (b) whether this can be opened up for other types of development.
- \*35. Mr Gan Thiam Poh:** To ask the Minister for Transport (a) what are the current utilisation rates of City Direct bus services and feeder bus services operated by private bus operators respectively; (b) how many buses have been provided for each route of service; and (c) whether LTA can consider increasing the number of City Direct bus services for Hougang Avenue 8, Sengkang and Punggol.

- 
- 
- \*36. Mr Zaqy Mohamad:** To ask the Minister for Transport (a) whether there are provisions in the Government Contracting Model (GCM) for buses in 2016 to be called up for emergency bus services in the event of rail disruptions; (b) whether the bill for these emergency bus services will be passed on to the rail operators; and (c) between the various bus operators under the GCM model, whether LTA has a plan on which operators will be tapped on to operate which emergency routes in a rail disruption.
- \*37. Mr Gerald Giam Yean Song:** To ask the Minister for Manpower what is the number and percentage of Employment Pass (EP) applications since the launch of the Jobs Bank that have been submitted within one week of the end of the minimum 14-day mandatory advertisement period.
