QUESTIONS FOR ORAL ANSWER*

- *1. Mr Chua Kheng Wee Louis:** To ask the Minister for Education (a) whether the Ministry has conducted any feasibility studies on providing direct subsidies to school canteen vendors to offset rising costs of procuring healthier ingredients and compliance with nutritional guidelines; (b) if not, what are the reasons for not considering direct financial support to these vendors; and (c) what specific measures are currently in place to ensure that price controls do not compromise the quality and nutritional value of meals provided to students.
- *2. Ms He Ting Ru:** To ask the Minister for Education amid the closure of some food stalls in school canteens (a) whether the Ministry is studying the impact of a lack of access to quality, affordable food in school canteens on children across socio-economic backgrounds; (b) how does the Ministry intend to address the nutritional needs of children from lower socio-economic backgrounds during school hours; and (c) whether the Ministry will consider (i) Government-funded freshly packed meals through central kitchen catering or (ii) mandating on-site kitchens in schools staffed by hired workers.
- *3. Mr Yip Hon Weng:** To ask the Minister for Transport (a) whether the Ministry can clarify how the additional certificates of entitlement (COEs) over the next few years will not exacerbate traffic congestion; (b) what alternative measures are being considered to prevent any unintended increases in road density; and (c) whether the "cut and fill" approach will continue or whether a more sustainable system can be developed to maintain a balanced COE quota.
- *4. Mr Melvin Yong Yik Chye:** To ask the Minister for Transport (a) whether the Ministry will review the current zero percent allowable vehicle growth rate, given that ERP 2.0's system is expected to allow the authorities to better manage traffic congestion; (b) whether the Ministry assesses that the planned injection of 20,000 COEs will help to stabilise COE prices during the years where COE quota is in short supply; and (c) if so, whether more details can be shared.
- *5. Assoc Prof Jamus Jerome Lim:** To ask the Minister for Transport (a) in light of the imminent implementation of Electronic Road Pricing 2.0, whether there are any plans to revise the Vehicle Quota System for the total number of automobile COEs issued over the full ten years; (b) whether the Ministry has conducted any study on what the anticipated impact on COE prices will be; (c) if so, whether the details of such study can be shared; and (d) if not, whether there are plans to conduct such a study.
- *6. Mr Yip Hon Weng:** To ask the Minister for Transport (a) whether the Ministry will review the current level of electric vehicle (EV) subsidies particularly as cheaper models enter the market given that EVs still contribute to carbon emissions through power generation; (b) whether LTA's goal remains for Singapore to go car-lite or has the primary focus shifted to be on transitioning from petrol cars to EVs; and (c) what active steps, beyond expanding the public transport network, are being taken to discourage overall car usage.

-
- *7. **Ms Yeo Wan Ling:** To ask the Minister for Manpower (a) what are the key health issues faced by migrant workers in Singapore; and (b) how are these health issues being addressed to increase workplace productivity while ensuring that medical costs to employers are kept affordable in the long term.
- *8. **Mr Melvin Yong Yik Chye:** To ask the Minister for Manpower (a) what measures has the Ministry put in place to ensure that migrant workers have access to proper medical treatment and that they seek timely medical attention; and (b) how has the Ministry ensured that healthcare costs remain affordable for migrant workers.
- *9. **Dr Tan Wu Meng:** To ask the Minister for Health (a) when will the Ministry provide the next update regarding its study on whether Integrated Shield Plan (IP) insurance can be made portable in a way that is helpful for existing and future policyholders; and (b) what measures can be considered beyond the status quo to better safeguard the interests and market bargaining power of IP policyholders who currently face difficulty switching IP providers after their existing providers have significantly changed the de facto terms of policy coverage and access to policy benefits.
- *10. **Ms Yeo Wan Ling:** To ask the Minister for Social and Family Development (a) whether the Ministry has data on the number of families that will be affected when childcare centres are no longer mandated to operate on Saturdays from 1 January 2025; and (b) whether companies operating on shift hours especially on weekends have been engaged on this change.
- *11. **Mr Desmond Choo:** To ask the Prime Minister and Minister for Finance in respect of the Shared Responsibility Framework which requires financial institutions to impose a cooling-off period upon activation of digital security tokens (a) whether MAS can consider extending or adjusting the cooling-off period based on the type of high-risk activities to prevent rapid fund depletion; and (b) whether there are plans to enhance the real-time fraud surveillance threshold of more than half of a balance of at least \$50,000 in the detection of rapid draining of accounts to cover smaller but significant losses.
- *12. **Mr Christopher de Souza:** To ask the Minister for Health (a) whether there has been any improvement to the situation faced by senior citizens about their difficulty in the booking of polyclinic appointments; and (b) whether any additional measures have been implemented since July 2023 to help senior citizens who are not technologically savvy to book polyclinic appointments.
- *13. **Ms Yeo Wan Ling:** To ask the Minister for Social and Family Development what is the progress of the three-year pilot to provide infant childminding services that was announced earlier this year.
- *14. **Mr Gerald Giam Yean Song:** To ask the Deputy Prime Minister and Minister for Trade and Industry (a) whether the Ministry has assessed the impact of a major e-commerce platform's recent extension of payment terms on small businesses in Singapore; and (b) whether regulations can be applied to ensure that large e-commerce platforms release payments promptly to support small merchants and prevent undue delays in cash flow.
- *15. **Mr Gerald Giam Yean Song:** To ask the Prime Minister and Minister for Finance (a) what specific factors have contributed to the lower hiring rate of Persons with Disabilities (PWDs) in the public sector compared to the private sector; (b) how the hiring rate of PWDs in Singapore's public service quantitatively compares with that in other developed countries; (c) what structural or policy-related constraints prevent Singapore Government agencies from increasing PWD hires; and (d) what steps are being taken to address these constraints directly.

-
- *16. **Mr Louis Ng Kok Kwang:** To ask the Minister for Culture, Community and Youth what data or surveys does the Ministry use to ascertain that overseas emergency humanitarian assistance is a cause which resonates with many Singaporeans, rather than a broader range of causes for the pilot run of the Overseas Humanitarian Assistance Tax Deduction Scheme.
- *17. **Dr Tan Wu Meng:** To ask the Minister for Health whether, in the assessment of the cost effectiveness of therapies for inclusion in the Cancer Drug List, the Ministry takes into consideration the outcome of the treatment on the quality of life and functional status of the patients which has a bearing on family care duties at home and improving the employability of household members who are caregivers.
- *18. **Assoc Prof Jamus Jerome Lim:** To ask the Minister for Home Affairs (a) what is the current share of foreign mothers with Singaporean children who remain holding Long-Term Visit Passes (LTVPs) after eight years of marriage to their Singaporean spouses; (b) whether the Government plans to assist this group of foreign mothers to apply and obtain their Singapore citizenship or permanent residency; and (c) if not, whether this group of foreign mothers will remain on LTVPs indefinitely.
- *19. **Mr Patrick Tay Teck Guan:** To ask the Minister for Social and Family Development (a) what are the existing services or programmes that focus on supporting female youths who are not in employment, education or training (NEET); and (b) if there is no such programme, whether the Ministry will look into developing one given that about two in three NEET youths are female.
- *20. **Mr Saktiandi Supaat:** To ask the Minister for Transport (a) whether an update can be provided on the work of the recently announced Bus Safety Tripartite Taskforce; (b) what are the key areas of focus of the Taskforce; and (c) to what extent has the Taskforce engaged different stakeholders to enhance bus and commuter safety.
- *21. **Ms He Ting Ru:** To ask the Prime Minister and Minister for Finance (a) what specific security measures and safeguards are required of banks before they can offer digital banking services to minors under 16 years old; (b) how do these measures differ from the requirements for adult accounts; and (c) what remediation processes must banks have in place for unauthorized transactions involving minor-operated accounts.
- *22. **Ms He Ting Ru:** To ask the Prime Minister and Minister for Finance (a) whether the existing fraud protection frameworks fully cover losses from unauthorised transactions in child-operated bank accounts; (b) where a minor's bank account credentials are compromised, who bears ultimate liability between the bank, parents, and the minor; and (c) what is the prescribed timeline for banks to investigate and resolve such cases.
- *23. **Mr Ong Hua Han:** To ask the Minister for Education (a) what are the reasons for the graduation age of Special Education (SPED) schools being 18 years old; and (b) whether the Ministry can consider increasing the graduation age to at least 21 years old so that SPED school students have more time to gain necessary life skills and transition to post-school life.
- *24. **Mr Christopher de Souza:** To ask the Minister for Health (a) whether the review of the cost effectiveness of shingles vaccine has been completed; and (b) if so, whether the Ministry will add it to the National Adult Immunisation Schedule such that it will be eligible for subsidies, especially for vulnerable seniors.

- *25. **Mr Ong Hua Han:** To ask the Minister for National Development (a) how many car parks currently do not have accessible parking lots that are in accordance with the Code on Accessibility in the Built Environment; and (b) whether there are any plans to accelerate the provision of accessible parking lots and accessible routes in these car parks.
- *26. **Mr Gerald Giam Yean Song:** To ask the Minister for Sustainability and the Environment (a) what steps are being taken to increase the uptake of locally produced food by major institutional buyers which supply key Government entities including the SAF, public hospitals, prisons, welfare homes and senior care centres; and (b) whether the Government will consider incentivising these buyers through long-term contracts, contractual requirements or price support measures to promote the market viability of Singapore's local food producers in line with the "30 by 30" goal.
- *27. **Mr Gan Thiam Poh:** To ask the Minister for Transport (a) what has been the utilisation rate of the Thomson-East Coast MRT Line (TEL) since the opening of the latest stage of the Line; and (b) whether any assessment has been conducted to gauge if there is any improvement to the traffic condition in the east coast region after the launch of Stage 4 of TEL.
- *28. **Mr Gan Thiam Poh:** To ask the Prime Minister and Minister for Finance (a) whether the Government has established specific desired targets or metrics for maintaining a sufficient number of working-age adults in the workforce to support the ageing population; and (b) what policy measures is the Government considering to balance the needs of an ageing population without overburdening the future generations financially and while minimising social costs.
- *29. **Mr Saktiandi Supaat:** To ask the Minister for Digital Development and Information in light of the lawsuit filed by Delta Air Lines against cybersecurity firm CrowdStrike (a) what are the status and expected timelines of the study being done by the Ministry's internal taskforce that was set up in the aftermath of the 19 July 2024 disruption; and (b) whether any agency which has suffered losses will be initiating or joining in legal proceedings against CrowdStrike.
